Fees – information and College expectations

Individual instrumental tuition (\$26 to \$30 per 30 minute lesson)

Fees vary according to different tutors' requirements and examination expectations. This may be negotiated between tutor and parent/guardian. All fees are paid directly to the tutor when an invoice is received. A receipt will be provided for all payments.

Please note that all lessons are designed around a rotated timetable each week to enable students to only miss 30 minutes of a particular class once every ten weeks.

Band/Ensemble tuition (\$50 per term)

Fees are paid in advance directly to the College. Lessons are 40 minutes and students are grouped according to similar skill levels. Drum students and guitarists are expected to bring their own drum sticks, guitars and leads to each lesson. All other instruments and equipment is provided by the College.

Instrument Hire (\$45 per term/Registration \$20)

Fees are paid in advance directly to the College. Fees may be paid per semester or year. A full registration fee of \$20 is required for the year irrespective if the student is hiring for a semester or year. The College covers half the cost of repairs.

Agreement Statement

I understand the above information and College expectations regarding individual tuition, fees and instrument hire. The fees are to be paid once the invoice is provided by the tutor or the College.
