Interhouse Cross Country

The Interhouse Cross Country carnival is always a great event that provides House groups with maximum opportunity for each student to represent their House. As is the case each year, many students take the chance to don House related colours and zinc oxide to give a colourful display that attracts attention and raises one's curiosity.

The mass start format of each race also adds to the excitement of the event that sees the College's fittest endurance athletes display their abilities. Even the Principal, Dean of Students and other staff members toed the start line and were proud finishers in the 2.6km event. It was a relatively warm day for May, with plenty of sunshine and favourable conditions for running.

One of the big surprises of the day was Kennedy House, who won the tug-of-war competition that contributed to their impressive total and podium finish. However, the final scores were the closest in the carnival history, and really demonstrated how important each student's participation in the event was in contributing to their overall team's score.

A big thank you to all the students who participated in the event, the Heads of House and the College staff who assisted in various areas throughout the day. It was a fabulous afternoon giving a glimpse of the positive House spirit that is alive and well at Swan Christian College.

Mother's Day Stall and Quiz Night a Huge Success

A special thank you to everyone who helped to make the Mother's Day Stall and the Quiz Night such a great success last week!

The Mother's Day Stall raised over \$1100 and the Quiz Night raised over \$7500. These funds help us go a long way toward achieving our goal to build a school for the HIV orphans in Kantolomba Village, Zambia. Thank you to everyone who bought in gifts and vouchers that we were able to sell or auction off and to the 450 people who attended our Quiz Night and gave so generously. The overwhelming response to these fundraising endeavours is evidence that our parents and the public are genuinely interested in looking beyond themselves and helping those in need. Our final big fundraiser for this term is the African Banquet on Friday 19 June. Tickets are on sale at the College office for \$25 per head. This includes a three course meal and entertainment from an African Choir. Please come and experience a taste of African culture and at the same time support our up and coming mission trip to Africa.
